7. MATCH PLAY

A. Match Definitions

2nd – 6th Rec - A match will consist of three (3) sets. Sets will be played to 25 points - rally scoring, or 15 minutes, whichever comes first. All three sets will count in the standings.

All fifteen minute sets must be won by two (2) points.

If a tie exists or a two (2) point margin is not present at the end of fifteen minutes, the clock will be reset for an additional three (3) minutes of “sudden death” overtime.

If, at the end of the regulation set, the server has not completed her maximum number of serves, she may continue to serve until a side-out occurs, a 2-point margin occurs for either team, or she reaches her maximum number of serves.

The winner will be declared as follows:

1. The first team to gain a two (2) point advantage at any time during the three (3) minute overtime will be declared the winner.
2. If at the end of three (3) minutes, one team has a one (1) point advantage, that team will be declared the winner.
3. Should a tie exist at the end of the three (3) minutes, the set will be declared a tie, and each team will receive a ½ set win and a ½ set loss.

6th Comp, 7th, 8th, & HS – Regulation match play. Best two (2) out of three (3) sets – rally scoring. The first two (2) sets will be played to 25 points. If a third set is needed, it will be played to 15 points. Teams must win by two (2) points. No time limit will apply, but each set has a cap of 30 points. The team that reaches 30 points first is declared the winner, even if a two (2) point margin does not exist.

B. Forfeit Policy

1. A set shall be considered a forfeit if a team has less than five (5) legal players present, on the court, at set time.
2. A set shall be considered a forfeit if a team fails to provide a linesperson.
3. All players must be in their official GVA uniform at set time or they will not be considered an eligible player for that set.
4. Match time is as per league schedule or fifteen minutes following the end of the preceding match, whichever is later.
5. Forfeit time of the set is set time. The second set is 10 minutes after the starting time of set #1. **2nd – 6th Rec** – The third set is 15 minutes after the starting time of set #1 or 5 minutes after the starting time of set #2. Example: 6:30, 6:40, 6:45.
6. In case of a double forfeit, a loss will be recorded for both teams.
7. Forfeit score is 25-0 for each forfeited set.

C. Mandatory Player Participation

2nd - 6th Grade Rec – Rotational Play

1. Each team will start the set with six (6) players on the court. The remaining players will automatically rotate (in the order listed on the roster) into play in the center back position when a “side-out” is called and the previous server leaves the court. If a team has more than one boy on the roster, no two boys may be placed next to each other in the service order.
2. Players arriving late*. A player arriving late for any set may not play if they have missed a full rotation of all the players present during the active set.
 - a. A late player qualifying to play in the first set will be placed at the end of the roster as the rotation stands when they arrive. The coach must notify the scorekeeper.
 - b. A late player NOT qualifying for the first/second set will be put at the end of the roster as the rotation stands when the set ends. That set order of rotation will continue for any subsequent sets.

6th Comp, 7th & 8th – Substitutions

1. All players must play in every match. The goal will be to give each child playing time equivalent to one full set during the match.
2. Substitutions are unlimited.
3. Substitutions must be visually signaled by the coach during a dead ball. Multiple substitutions should be requested at the same time.
4. The player and substitute shall remain in front of the ten (10) foot line at the sideline until signaled by the referee to switch places. The substitution then immediately occurs. (Please NOTE – coaching during a substitution will be considered a delay of game.)
5. Previously substituted players returning to the court must substitute back into the set in the same position in the serving order.
6. If a team has more than one boy on the roster, no two boys may be placed next to each other in the original serving order nor can any two boys play in positions that are next to each other at any time during a set.
7. If an injury occurs, and all players on the bench have been previously substituted, exceptions to the above rules occur. The coach is allowed thirty (30) seconds (official’s time out) to make a decision regarding the player. Any player on the bench can be used to substitute for the injured player. The injured player is not allowed to return to that set.
8. A substitute must remain in the set until the next dead ball.

“Ghost” - Playing with Five (5) Players

The ghost player’s position shall remain unoccupied while rotating. If a ghost player is rotated into the serving position, the serving team will lose the serve and a point will be awarded to the opposing team. A player arriving late may take the ghost position at any point in time during the next dead ball.

8. PLAYING RULES (continued)

E. Conduct During The Match

1. The referee will conduct the match. Any calls made by the referee will not be questioned during a set. A team captain may ask the referee during a set to repeat the call, but **MAY NOT** ask for justification of a call. A team captain may also request from the referee a line-up check during a set. **DURING THE SETS OF A MATCH, THE DECISIONS OF THE REFEREE ARE FINAL.**
2. A first violation will receive a warning. A second violation will receive a yellow card, which will result in loss of the ball by the offending team or award a point to the non-offending team. A third violation will receive a red card, which will result in removal of the offending person or team from the gym.
3. Spectators who exhibit unruly and unsportsmanlike behavior during a match will cause a penalty to be enforced on the offending spectator's team. This could be a side-out and a point awarded to the opposing team. Multiple infractions will result in a forfeit of the match.
4. Coaching may only occur from the player's bench area. Spectators may not coach from the bleachers or any other portion of the court.

F. Disciplinary Policies - Coaches may enforce their own playing rules based on participation at practice and for other disciplinary reasons. These playing rules must:

- a. be submitted, in writing, to the Board for approval.
- b. upon approval, be distributed to each member of the team and enforced equally.

9. PLAYOFFS - Each team will receive a minimum of eight (8) matches per season. The number of teams signed up for each league will determine the number of matches played. Playoffs can be done many ways or may not be needed at all. The number of teams in each league will determine the format used for scheduling. If playoffs are part of that schedule, they will be noted on the league schedule.

10. PROTESTS – There are only two acceptable reasons for protesting a set after it has been played. They are:

- (1) A team plays an unregistered or ineligible player
- (2) There has been an obvious error made in the application of the rules of the set that directly affects the outcome of the match and the referee admits it.

A team may not protest a set based on judgment decisions made by the referee during play.

When an objection has been lodged, the coach must first note it on the score sheet and get the referee to sign it. The coach must then formally submit the protest in writing to the GVA either by mail or email within 24 hours of the match (even if the team won the match). No objection or protest shall be withdrawn because the protestor won the match.

The GVA Board will consider the protest and if the protest is upheld, a decision will be made whether the set should be replayed based on the result of the error on the outcome of the set.

ADDENDUMS TO RULES

PLAYING UP ONE LEAGUE – After playing in a GVA league one season, at grade level, a player may be allowed to play UP one league above their grade level. Once a player plays up one league above their grade level, they are not permitted to go back down to their grade level without Board approval.

ADDING PLAYERS – Players may not be added to a roster after the first league match has been completed. Coaches may petition the Board for additional players from the player pool if the roster drops below eight (8) players due to season-ending injury or players dropping out.

RETURNING TEAMS – A returning team is defined as a team signing up for the season with five (5) or more returning players. All players from the previous season (excluding summer) must be asked back to a team, but if there are less than five (5) returning, the Board will discuss reasons and decide on whether a coach can coach again, or if the returning players should be placed on a different team. Exception – teams changing from recreational to competitive leagues.

SCHEDULING/RESCHEDULING REQUESTS

1. Each coach can make scheduling requests at the time of registration. GVA will attempt to honor these requests.
2. After the league starts, coaches must coordinate rescheduling requests with the opposing coach and their league coordinator. The opposing coach has a right to refuse the rescheduling request.
3. A fee will be charged to the requesting team for sets that are rescheduled outside the normal set or practice schedules.

PLAYER OPTIONS – Each season, a player can decide to return to the same team, request a new team, or go back into the player pool. The league coordinator must approve all team reassignments.

REFUNDS – No refunds are given after the first match of the season has been completed. Additionally, only partial refunds (your payment less \$25) are given if t-shirts have been ordered and practices have begun. Request must be in writing. You will be refunded within two weeks of your request. Late fees will not be refunded.

STANDINGS/AWARDS

1. Standings are kept in all leagues and posted on the GVA website.
2. Awards are given to top finishing teams based on number of teams in each league. For leagues with six (6) or fewer teams, 1st and 2nd place awards are given. For leagues with seven (7) or more teams, 1st, 2nd, and 3rd place awards are given.
